Internships

IBM Skill Build

Front-End Web Dev Internship   *06/2023 - 07/2023*

- The Web Development Internship offered practical experience from IBM Skill Build.
- Worked on projects like creating clones of different websites using HTML, Tailwind CSS, Bootstrap and other front-end tools.
- Developed skills in HTML, CSS, helped me to create responsive designs and a lot of hands-on experiences in front-end web development and create a responsive Portfolio Website in VS Code.

Projects

Portfolio Website

- Designed a responsive Portfolio Website using frameworks like HTML, CSS, and JavaScript.
- Developed and visually and interactive platform to showcase my skills and projects.
- Strengthened my front-end development skills by implementing a variety of features and functionalities.
- Demonstrated creativity and technical proficiency in web development through the website.

Tourism Website

- Developed a Tourism Website using HTML, CSS, and JavaScript within the Tailwind Framework.
- Utilized Tailwind CSS to create responsive and efficient UI components for seamless user interactions.
- Strengthened my front-end development skills by implementing a variety of features and functionalities.

Hobbies

- Sports
- Playing Music
- Photography
